WHAT Do You Care About? WHY do you care? WHY does it matter?

SOCIAL CAUSE CATEGORIES

A non-profits mission aligns them with a specific social cause they are working to eliminate, support or improve. These 13 categories above will help you in discovering what you care about!

Need more information about each of these categories listed above? Do you want to learn more about what each category listed above may include?

Visit <http://mgprograms.org/qualified-npos-cincinnati-dayton-nky/>;

look for **LEARN ABOUT THE DIFFERENT SOCIAL CAUSES**

After you have reviewed the list above, answer the following questions in complete sentences.

1. What issues or causes matter to you? In this answer feel free to share more than 1!

2. What issue or cause would you like to learn more about?

3. What concerns do you have when you think about your community, school and neighborhood?

4. How would you address these issues?

5. Based upon your answers above - Narrow your social causes down to just ONE you'd like to focus on for the remainder of your project in hopes of granting \$1,000.00 to support this cause?

THINK GLOBALLY, ACT LOCALLY

How does the social cause identified impact our community on these levels. Do your research and share 3 facts and be sure to cite your sources in the box.

For example: Hunger: Locally - 18.5% of people in Hamilton County, 1,691,000 people in Ohio, 37 Million People in the US, and Globally $\frac{1}{3}$ of the world's population suffer.

LOCALLY	STATE
NATIONAL	GLOBAL
